Stream Check Mobile App User Guide:

Tip: You can turn your phone's torch on from inside our App!

4

Reporting a Defect:
Enter more information about the defect you are reporting.
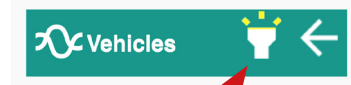

5

Submit the Checks:
Sign that you've completed the checks and to who any defects are reported.

3

Notification Sent:
An email notification will be sent to the administrator including details of defects.
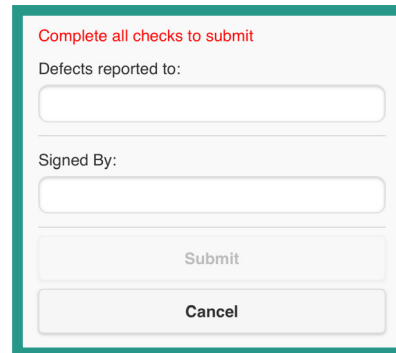

Note:
If the vehicle status is 'unusable' as a result of the check, you will not be able to use this vehicle until the defect is resolved.
